Fee Structure

Total course fee

Each qualification, unit of competency or accredited course offered by Ballistic Training Solutions has a specific course fee. The course fee is the maximum fee that may be charged to the Student for his / her selected training program.

Where additional resources normally associated with a program of study are required (for example, reference material, research documents, own computer) the Student will be clearly advised of exactly what is required in the Student study guide for that program.

Ballistic Training Solutions has a schedule of fees for each training program on its scope of delivery. To obtain a customised quote on your training requirements or to obtain a copy of our current course fee schedule please contact Ballistic Training Solutions via email at; info@ballistic.edu.au
