

CERTIFICATE 3 GUARANTEE

A QUEENSLAND GOVERNMENT INITIATIVE

Interested in Completing Your Certificate III in Conservation and Land Management

Are you Eligible for enrolment in a government funded Certificate III in Conservation and Land Management?

ATTENTION All Queensland Eligible Students

Enrol in a Nationally Recognized Qualification funded by the Queensland Government Certificate III in Conservation and Land Management from just **\$70** Under the Certificate 3 Guarantee Program

What is Certificate 3 Guarantee?

The Certificate 3 Guarantee provides a government subsidy to support eligible individuals to complete their first post-school certificate III qualification.

Are you Eligible?

This program is open to individuals who are:

- Queensland residents aged 15 years or over
- No longer at school (with the exception of VET in Schools students)
- Australian or New Zealand citizens or Australian permanent residents (including humanitarian entrants), or a temporary resident with the necessary visa and on the pathway to permanent residency
- Not holding, and not enrolled in, a certificate III level or higher qualification (not including qualifications completed at school and foundation skills training)

Contact the Team at Ballistic Training Solutions today to discuss your eligibility or further details on the Qld Government Certificate 3 Guarantee Program.

What level of subsidy is available?

The investment priority or importance of the training determines the size of the government subsidy. Training in vocational areas that align with important economic and industry skills needs will receive a higher government subsidy.

Do I need to contribute to the cost of training?

Given the benefits that training provides to individuals, students undertaking certificate III level training and non-concessional students undertaking lower-level vocational training are required to contribute to the costs of their Training through a co-contribution fee. The amount of your out-of-pocket expense will vary depending on the course you undertake and the training provider you choose. The fee may be paid on your behalf by an employer or another third party, but cannot be paid by the training provider.

AHC31416 Certificate III in Conservation and Land Management

Qualification Description

This qualification provides a general vocational outcome in the conservation and land management industry. The qualification enables individuals to select an Indigenous land management, lands, parks and wildlife or natural area management context as a job focus or a mix of these. No occupational licensing, legislative or certification requirements apply to this qualification at the time of publication.

Applicable occupations are:

Park Ranger / Wildlife Officer / Primary producer / Research officer / Pest Management Specialist

Packaging Rules

Total number of units = 16 - 2 Core / 14 Electives

Elective units must ensure the integrity of the qualification's Australian Qualification Framework (AQF) alignment and contribute to a valid, industry-supported vocational outcome. The electives are to be chosen as follows:

- at least 4 must be selected Group A
- at least 6 units must be selected from the remaining units in Group A or Group B, or from the Prerequisite Requirements list if a unit is a required for packaging the qualification
- a maximum of 4 units may be selected from the remaining units listed in this qualification or from units aligned to Certificate II, III or IV qualifications in this Training Package or from any other currently endorsed Training Package or Accredited Course.

**NATIONALLY RECOGNISED
TRAINING**
