

Operate & Maintain Chainsaws

AHCMOM213

Ballistic Training Solutions Pty Ltd

ABN: 30 156 084 481

Provider No: 41097

Description

This unit of competency describes the skills and knowledge required to safely operate a hand-held chainsaw and maintain it in working condition.

This unit applies to cross-cutting fallen timber using safe cutting techniques.

This unit applies to individuals who undertake defined activities with specialised tools and methods, work in a structured context, apply knowledge and skills to demonstrate autonomy and limited judgement, and provide solutions to a limited range of predictable problems.

Work is implemented with low risk work procedures and to comply with Safe Work Method Statement documentation.

No occupational licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

Applicable Roles

This unit is appropriate for those working in the rural or environmental conservation sector where the use of a chainsaw in field activities is required.

Pre-requisites

Nil

Education Pathway

This unit can be used in the Agriculture, Horticulture, Conservation and Land Management Package including:

- AHC21016 Certificate II in Conservation Land Management
