

AHCPCM203 Fell Small Trees

OVERVIEW

This course is delivered in a face to face workshop format incorporating knowledge-based theory assessment and field practical assessment activities conducted over a one to two-day period depending on the knowledge skill and competency of participants.

PREREQUISITE UNITS

Successful Completion and award of AHCMOM213 Operate and Maintain Chainsaws is required before entry into this unit.

CAREER OPPORTUNITIES

Primary producer | Research officer | National Parks & Wildlife Officers | Professional shooter/culler | Aerial Culling Operators | Conservation & Environment Officers | Farm Hands | Rural Operators / Property Owners.

DESCRIPTION

This unit of competency describes the skills and knowledge required to fell small trees where hazards have been assessed as low risk. It is an introductory or base-level unit that covers felling procedures for small trees. This unit applies to individuals who undertake defined activities with specialized tools and methods, work in a structured context, apply knowledge and skills to demonstrate autonomy and limited judgement, and provide solutions to a limited range of predictable problems. Work is implemented with low risk work procedures and to comply with Safe Work Method Statement documentation. Licensing, legislative, regulatory, or certification requirements apply to this unit in some states and territories at the time of publication and may differ according to jurisdiction.
