

BSB41419 Certificate IV in Work Health and Safety

DESCRIPTION

This qualification is suitable for people working in a work health and safety (WHS) role who may or may not work under supervision. They may provide leadership and guidance to others and have some limited responsibility for the output of others.

The qualification reflects the role of workers who apply a broad knowledge base and well-developed skills in a wide variety of contexts and may include coordinators, advisors and facilitators.

No occupational licensing, legislative or certification requirements apply to this qualification at the time of publication.

OVERVIEW

This course is delivered in a face to face workshop and industry field placement format incorporating knowledge-based theory assessment and field practical assessment activities conducted over a day depending on the knowledge skill and competency of participants.

PRE-REQUISITE UNITS

Nil
