

Higher Level Skills General Construction Program

Phone: 1300 738 098

Are you Working in the Construction Industry & Looking at Upgrading or upskilling your qualifications?

What it's about:

Do you have experience working in the construction industry? Up-skill and get your skills nationally recognised. Ballistic Training Solutions Pty Ltd is offering industry supported and funded training through the Higher-Level Skills General Construction Program. Enroll to update your skills, qualifications or advance your construction career.

Background:

Ballistic Training Solutions is pleased to advise that it has a number of places available for Construction Industry personnel wanting to update their skills or obtain a Qualification in Business or Work Health & Safety through the Construction Skills Queensland Higher Level Skills Program.

Location/s:

Ballistic Training Solutions can provide eligible Higher-Level Skills General Construction Program candidates in the Sunshine Coast, Darling Downs - Toowoomba & Gold Coast Regions with access to CSQ Higher Level Skills Programs.

Higher Level Skills Qualifications:

The following programs are funded for eligible construction industry personnel in the above regions:

- BSB50215 Diploma of Business
- BSB41419 Cert IV in Work Health Safety
- BSB51319 Diploma of Work Health Safety

Price:

Courses are funded under the Construction Skills Queensland Higher Level Skills General Construction Program funding.

Duration:

Course duration is indicative of the individual student's progression and competence assessment requirements as detailed in their individual training plan. Indicative timeframe is up to 12 months in duration. Successful completion must be achieved during the eligible CSQ funding period (1st October 2020 and 30th September 2022)

Delivery Method:

Mode of delivery is individually tailored to your worksite/individual requirements. Self-paced workbooks, Trainer support and workplace task activities form the basis for the industry tailored training and assessment strategy.

Eligibility:

For the purposes of eligibility, participants under this program must meet the following criteria:

Eligible Participant Means

- a) an Australian or New Zealand citizen; or
- b) a permanent resident of Australia; or
- c) a refugee and humanitarian visa holder.

AND MUST:

- d) permanently reside in Queensland; or
- e) be permanently employed in Queensland.

AND MUST NOT BE

- f) an employee of an authority (excluding employers of an Indigenous Council that is a principal contractor)
- g) currently enrolled and participating in a Queensland secondary school program (excluding a school-based Apprentice or Trainee)
- h) a contracted trainer or assessor or existing worker of an RTO
- i) previously funded under this program in the same contract term
- j) funded by an authority or such other source for delivery of the same Training being undertaken as part of this program
- k) those participants seeking Verification of Competency (or Determination of Competency) services under this agreement; or
- l) other individuals that do not meet Participant Eligibility as prescribed in item 1 above.

2 in addition to item 1, for the purpose of eligibility for Higher Level Skills - General Construction Participants Must Be:

- a) An eligible worker, including relevant clerical, administration and professional staff whose employer is part of the building and construction industry
- b) An Unemployed Eligible Worker.

AND MUST NOT BE

- c) Eligible under the Apprentice Advance Plus

An eligible Worker has the same meaning as the Building and Construction Industry (Portable Long Service Leave) Act 1991 (Qld) as amended from time to time.

An Unemployed Eligible Worker is a person who has been unemployed for a period of not greater than 4 years that would otherwise meet the requirements of an Eligible Worker.

Funding is limited to the maximum funding amount. A Participant is only eligible for a maximum of one (1) Qualification throughout the Contract Term. Funding is not available for any units of Competency or Qualifications previously completed by a Participant. Further course information can be found at www.myskills.gov.au (Choice of elective units is subject to availability). Recognition of prior learning may be available. Prerequisite for Diploma of Work Health and Safety must hold Core units from Certificate IV in Work Health and Safety or industry equivalency per packaging rules. *Some conditions may apply.
