

## THE IMPORTANCE OF WORKPLACE SAFETY

Your employees will feel better working someplace where they know their supervisors care enough to keep them safe.

## BSB30719

# Certificate III in Work Health and Safety

## DESCRIPTION

This qualification reflects the role of skilled operators who apply a broad range of competencies in varied work contexts, using some discretion and judgement and relevant theoretical knowledge.

They may provide technical advice and support to a team. This qualification is for people whose main job is not dedicated to OHS but who take it on as a voluntary duty.

This qualification is suitable for skilled operators who take on Work Health and Safety (WHS) responsibilities in addition to their main duties. They may provide technical advice and support to a team and apply a range of competencies in varied work contexts.

No occupational licensing, legislative or certification requirements apply to this qualification at the time of publication.

## OVERVIEW

This course is delivered in a face to face workshop and industry field placement format incorporating knowledge-based theory assessment and field practical assessment activities conducted over a day depending on the knowledge skill and competency of participants.

## PRE-REQUISITE UNITS
